In a special session on Tuesday, the **The League Club** Board approved disbursement of our \$10,000 emergency fund to **Meals of Hope** to help provide nutritious and much needed quality food to hungry families during this difficult time of need. We have had a long-standing relationship with this agency through grants and volunteering at Done in a Day packing events. Their mission is to inspire and empower communities to come together to end hunger. The League Club and Meals of Hope are coming together today to strengthen our community. Separately, the regular grant checks approved by the membership in March will be distributed to nonprofits as planned on April 9th.
