Naples Tables 2021:

I hope by now you have received your fundraising packet. As you know, the format this year is geared toward raising funds to "Serve Our Community in Its Time of Need". It is such a difficult time for so many. A BIG THANK YOU to all our members for their support of Naples Tables 2021. Your support and generosity are greatly appreciated.

If you have not received your fundraising packet or should you have any questions, contact Denise Hadley at dbhad16@aol.com or 585-729-5478.

Please take a moment to watch our Naples Tables campaign video created by Anne Thomas and Chris Inslee.

Website:

Today, we launched a new website for The League Club! Check it out! Please go to <https://www.leagueclub.org> and click on the member login in the **upper right hand corner** and directions will be provided. Due to the transition, we had to provide you with a universal password. Log in using the universal password and reset your password. You may use your previous TLC password or a personal favorite. Once you do that, check out your profile to make sure all the information transferred correctly and update your information. Then, spend some time on the website and familiarize yourself with what is available. Our goal was to make our Member Home Page user friendly.

If you have difficulties, we have a support team to help at 239.947.2000 or support@boldsolutionsonline.com. This transition is to a more inclusive and integrated website design. Changes aren't easy but as we assess the needs of our community and of our membership, we are challenged to provide the functionality that supports those needs and provides the leadership to make it all happen.

We are not done with this site yet, but we have moved to the next phase. With the change of the website, we also changed our payment processing service from PayPal to Stripe. Hopefully, you will have some time today to check it all out at <https://www.leagueclub.org>.

CIC in Action

Florida Lions Eye Clinic

We Give the "Gift of Sight"

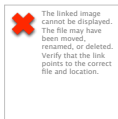

The mission of the Florida Lions Eye Clinic is to give the "Gift of Sight" by helping to prevent blindness by performing comprehensive eye exams, surgical eye care and medical treatment to children and families in South West Florida free of charge. This year The League Club grant provided the Florida Lions Eye Clinic the funds to hire one part time Optometrist to help reduce the ever increasing wait list of patients.

The Clinic sees low-income adults and children in Collier and Lee counties. Annually, the FLEC provides over 2000 free vision exams and over 125 free eye surgeries. By hiring a part time Optometrist, the wait list of 200 patients will be significantly reduced. Helping patients promptly can help prevent blindness and improve the quality of life for FLEC patients.
