President's Message

Through the dedication and hard work of an incredible group of women, 2011-2012, the 25th year of The League Club, Inc. has been successful. The Board, the Committee Chairs and members and every League Club member have contributed.

The General meetings were educational, interesting, well thought out and planned.

The fundraisers, Kim Gross Johnson, author and Barbara Rinella, portrayer of personalities, our generous Circle of Friends and the support of Underwriters along with contributions by every member, bode well for grant giving in 2013.

Social events, particularly the 25th Anniversary dinner and the January meeting brought back memories of all the years and wonderful women that have come before to make the organization so strong and an asset to our communities. An informative and interesting history of the 25 years was compiled and written by Mary Cooper and a great video put together by June Kroeschell added to our memories of days gone by.

The initiation of an Endowment Fund was an important step to ensure the healthy life of TLC

It has been a privilege and an honor to serve as the 22nd President during the 25th year of The League Club, Inc.
